<b>All artists must be over 16 years of age and ID will be required for those who are lucky enough to look very young.</b>		
No tuition is given and artists must provide their own material.		
No booking is required and usually there is plenty of room for everyone; however, early year enthusiasm sometimes means that during the first few weeks we are over subscribed. For safety and comfort the maximum number of artists allowed is 15 on a first come first served basis.		
<b>Maximum number allowed is 15</b>		
The booking system we tried for the early weeks was not popular so we hope that you will understand if you are not allowed access if the maximum number has been reached.		
Members £4	Non-members £5	Students £2
